Dear Vendor:

Welcome. On behalf of Lawrence Berkeley National Laboratory (LBNL) we look forward to serving you. Enclosed you will find the required vendor registration packet we need back from you. Please review all sections of this letter carefully.

#### **Required Information**

In order to establish you as a LBNL Vendor, please complete and return the packet provided to the Procurement contact. Failure to return the forms indicated to the Procurement contact could result in Federal (28%) and State (7%) backup withholding.

#### **California Nonresident Withholding**

If services are performed inside the State of California nonresident withholding of 7% could apply. Please complete either Form 590 or 587, but not both. If services are performed inside and outside the State of California, please identify as separate line items on your invoice. Otherwise withholding could apply to the entire invoice amount. Additional information is available at [http://www.ftb.ca.gov/forms/2011/11\\_592.pdf](http://www.ftb.ca.gov/forms/2011/11_592.pdf)

#### **LBNL Resale Certificate**

A copy of our Resale Certificate is available on line at <http://www.lbl.gov/Workplace/CFO/co/ap/>. Vendors and Subcontractors are responsible for knowing and understanding sales and use tax regulations of the State of California. Additional information is available at <http://www.boe.ca.gov/sutax/sutprograms.htm>

#### **How to Submit Invoices**

All invoices **should be emailed** to [apinvoice@lbl.gov](mailto:apinvoice@lbl.gov). Please make sure your company's name appears in the subject line of the email. **If you email us your invoice, please do not mail or fax us a hard copy.** Vendors that are unable to email their invoices should mail them to the following billing address:

Lawrence Berkeley National Laboratory  
Accounts Payable Department  
1 Cyclotron Road – MS 90J0106  
Berkeley, CA 94720-0001

#### **Required Purchase Order Information on Invoice**

**Note our purchase order/subcontract number on your invoice.** LBNL's purchase order numbers are seven (7) digits long, contain only numerical characters and are preceded by a six (6). Invoices without a purchase order number will be returned to you.

#### **Recycled Invoice Numbers**

Our system does not allow LBNL to enter duplicate invoice numbers. Invoice numbers are audited by vendor, not by the date of an invoice or purchase order number. It is important when submitting an invoice that LBNL has not already been billed using the same number (regardless of the date and PO number).

**Invoice Payment Terms**

Invoices are paid based on the terms and conditions of the subcontract from the date of receipt of the invoice in our office.

**Finance Charges and Late Fees**

LBNL does not pay the above charges. Do not send finance charge invoices. They will be returned to you.

**Electronic Payments**

**Effective February 1, 2010**, LBNL's Accounts Payable Department will make its domestic (U.S.) vendor payments electronically via the Automated Clearing House network (ACH). ACH is the fastest and most secure method for our vendors to receive timely payments. In addition, you will receive detailed payment information via email to assist with payment application whenever an ACH payment is made to you.

**US DOMESTIC VENDORS ONLY:** Please take a few moments to fill out the attached Direct Deposit (ACH) enrollment form and return it to [vendordesk@lbl.gov](mailto:vendordesk@lbl.gov) or fax it to 510-486-6975. # Instructions for Form 587

## Nonresident Withholding Allocation Worksheet

References in these instructions are to the California Revenue and Taxation Code (R&TC).

### General Information

Beginning January 1, 2008, domestic nonresidents may use Form 589, Nonresident Reduced Withholding Request, to request the reduction in the standard seven percent withholding amount that is applicable to California source payments made to nonresidents.

**Backup Withholding** – Beginning on or after January 1, 2010, with certain limited exceptions, payers that are required to withhold and remit backup withholding to the Internal Revenue Service (IRS) are also required to withhold and remit to the Franchise Tax Board (FTB). The California backup withholding rate is 7% of the payment. For California purposes, dividends, interests, and any financial institutions, release of loan funds made in the normal course of business are exempt from backup withholding.

If a payee has backup withholding, the payee must contact the FTB to provide a valid Taxpayer Identification Number (ITIN) before filing a tax return. The following are acceptable TINs: social security number (SSN); individual taxpayer identification number (ITIN); federal employer identification number (FEIN); California corporation number (CA Corp No.); or California Secretary of State (SOS) file number. Failure to provide a valid TIN will result in the denial of the backup withholding credit. For more information, go to [ftb.ca.gov](http://ftb.ca.gov) and search for **backup withholding**.

**Private Mail Box (PMB)** – Include the PMB in the address field. Write “PMB” first, then the box number. Example: 111 Main Street PMB 123.

**Foreign Address** – Enter the information in the following order: City, Country, Province/Region, and Postal Code. Follow the country's practice for entering the postal code. **Do not** abbreviate the country's name.

### A Purpose

Use Form 587, Nonresident Withholding Allocation Worksheet, to determine the amount of withholding required on payments to nonresidents.

The payee completes, signs, and returns Form 587 to the withholding agent. The withholding agent relies on the certification made by the payee to

determine the amount of withholding required, provided the completed and signed Form 587 is accepted in good faith. Retain the completed Form 587 for your records for a minimum of four years and provide it to the FTB upon request.

**Do not** use Form 587 if any of the following applies:

- Payment to a nonresident is only for the purchase of goods.
- You sold California real estate. Use Form 593-C, Real Estate Withholding Certificate.
- The payee is a resident of California or is a non-grantor trust that has at least one California resident trustee. Use Form 590, Withholding Exemption Certificate.
- The payee is a corporation, partnership, or limited liability company (LLC) that has a permanent place of business in California or is qualified to do business in California. Foreign corporations must be qualified to transact intrastate business. Use Form 590.
- The payment is to an estate and the decedent was a California resident. Use Form 590.

### B Requirement

California Revenue and Taxation Code (R&TC) Section 18662 and the related regulations require withholding of income or franchise tax on certain payments made to nonresidents of California for personal services performed in California and for rents on property located in California and royalties with activities in California. The withholding rate is seven percent (.07) unless the FTB grants a waiver. See General Information E, Waivers.

### C When to File This Form

The withholding agent requests that the payee completes, signs, and returns Form 587 when a contract is entered into or before payment is made to the payee. The withholding agent retains Form 587 for a minimum of four years and must provide it to the FTB upon request.

Form 587 remains valid for the duration of the contract (or term of payments), provided there is no material change in the facts. By signing Form 587, the payee agrees to promptly notify the withholding agent of any changes in the facts.

### D Withholding Requirements

Payments made to nonresident payees (including individuals, corporations, partnerships, LLCs, estates, and trusts) are subject to withholding. However, no withholding is required if total payments of California source income to the payee during the calendar year are \$1,500 or less.

If the California resident, qualified corporation, LLC, or partnership is acting as an agent for the nonresident payee, the payment is subject to withholding if the nonresident payee does not meet any of the exceptions on Form 590.

Payments subject to withholding include the following:

- Payments for services performed in California by nonresidents.
- Payments made in connection with a California performance.
- Rent paid to nonresidents if the rent is paid in the course of the withholding agent's business.
- Royalties paid to nonresidents from business activities in California.
- Payments of prizes for contests entered in California.
- Distributions of California source income to nonresident beneficiaries from an estate or trust.
- Other payments of California source income made to nonresidents.

Payments not subject to withholding include payments:

- To a resident of California or to a corporation with a permanent place of business in California.
- To a corporation qualified to do business in California.
- To a partnership or LLC that has a permanent place of business in California.
- For sale of goods.
- For income from intangible personal property, such as interest and dividends, unless the property has acquired a business situs in California.
- For services performed outside of California.
- To a payee that is a tax-exempt organization under either California or federal law, use Form 590.

- Representing wages paid to employees. Wage withholding is administered by the California Employment Development Department (EDD). For more information, contact your local EDD office.
- To a payee that is a government entity.
- To reimburse a payee for expenses relating to services performed in California if the reimbursement is separately accounted for and not subject to federal Form 1099 reporting. Corporate payees, for purposes of this exception, are treated as individual persons.

E   **Waivers**

A nonresident payee may request that withholding be waived. To apply for a withholding waiver, use Form 588, Nonresident Withholding Waiver Request. If the FTB has granted a waiver, you must attach a copy of FTB’s determination letter to Form 587.

F   **Requirement to File a California Tax Return**

A payee’s exemption certification on Form 587, Form 590, or a determination letter from the FTB waiving withholding does not eliminate the requirement to file a California tax return and pay the tax due. For return filing requirements, see the instructions for Long or Short Form 540NR, California Nonresident or Part-Year Resident Income Tax Return; Form 541, California Fiduciary Income Tax Return; Form 100, California Corporation Franchise or Income Tax Return; or Form 100S, California S Corporation Franchise or Income Tax Return.

**Specific Instructions**

**Part I – Withholding Agent**

The withholding agent must complete Part I before giving Form 587 to the payee.

**Part II – Nonresident Payee**

The payee must complete all information in Part II including the social security number, individual taxpayer identification number, California corporation number, FEIN, or SOS file number, and entity type.

**Part III – Payment Type**

The nonresident payee must check the box that identifies the type of payment being received.

No withholding is required when payees are residents or have a permanent place of business in California.

**Part IV – Income Allocation**

Use Part IV to identify payments that are subject to withholding. Only payments sourced within California are subject to withholding. Services performed in California are sourced in California. In the case of payments for services performed when part of the services are performed outside California, enter the amount paid for performing services within California in column (a). Enter the amount paid for performing services while outside California in column (b). Enter the total amount paid for services in column (c). If the payee’s trade, business, or profession carried on in California is an integral part of a unitary business carried on within and outside California, the amounts included on line 1 through line 5 should be computed by applying the payee’s California apportionment percentage (determined in accordance with the provisions of the Uniform Division of Income for Tax Purposes Act) to the payment amounts. For more information on apportionment, get California Schedule R, Apportionment and Allocation of Income.

**Withholding agent.** Withholding is optional, at your discretion, on the first \$1,500 in payments made during the calendar year. Withholding must begin as soon as the total payments of California source income for the calendar year exceed \$1,500. If circumstances change during the year (such as the total amount of payments), which would change the amount on line 6, the payee must submit a new Form 587 to the withholding agent reflecting those changes. The withholding agent should evaluate the need for a new Form 587 when a change in facts occurs.

**Part V – Certification of Payee**

The payee and/or the authorized representative must complete, sign, date, and return this form to the withholding agent. Authorized representatives include those persons the payee authorized to act on their behalf through a power of attorney, third party designee, or other individual taxpayers authorized to view their confidential tax data via a waiver or release.

## Withholding Exemption Certificate

References in these instructions are to the California Revenue and Taxation Code (R&TC).

### What's New

**Backup Withholding** – Beginning on or after January 1, 2010, with certain limited exceptions, payers that are required to withhold and remit backup withholding to the Internal Revenue Service (IRS) are also required to withhold and remit to the Franchise Tax Board (FTB). The California backup withholding rate is 7% of the payment. For California purposes, dividends, interests, and any financial institutions release of loan funds made in the normal course of business are exempt from backup withholding. For additional information on California backup withholding, go to [ftb.ca.gov](http://ftb.ca.gov) and search for **backup withholding**.

If a payee has backup withholding, the payee must contact the FTB to provide a valid Taxpayer Identification Number (TIN) before filing a tax return. The following are acceptable TINs: social security number (SSN); individual taxpayer identification number (ITIN); federal employer identification number (FEIN); California corporation number (CA Corp No.); or Secretary of State (SOS) file number. Failure to provide a valid TIN will result in the denial of the backup withholding credit. For more information go to [ftb.ca.gov](http://ftb.ca.gov) and search for **backup withholding**.

### General Information

For purposes of California income tax, references to a spouse, husband, or wife also refer to a Registered Domestic Partner (RDP) unless otherwise specified. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

**Private Mail Box (PMB)** – Include the PMB in the address field. Write “PMB” first, then the box number. Example: 111 Main Street PMB 123.

**Foreign Address** – Enter the information in the following order: City, Country, Province/Region, and Postal Code. Follow the country's practice for entering the postal code. **Do not** abbreviate the country's name.

### A Purpose

Use Form 590, Withholding Exemption Certificate, to certify an exemption from nonresident withholding. California residents or entities should complete and present Form 590 to the withholding agent. The withholding agent is then relieved of the withholding requirements if the agent relies in good faith on a completed and signed Form 590 unless told by the FTB that the form should not be relied upon.

The following are excluded from withholding and completing this form:

- The United States and any of its agencies or instrumentalities

- A state, a possession of the United States, the District of Columbia, or any of its political subdivisions or instrumentalities
- A foreign government or any of its political subdivisions, agencies, or instrumentalities

**Important – This form cannot be used for exemption from wage and real estate withholding.**

- If you are an employee, any wage withholding questions should be directed to the FTB General Information number, 800.852.5711. Employers should call 888.745.3886 or go to [www.edd.ca.gov](http://www.edd.ca.gov).
- Sellers of California real estate use Form 593-C, Real Estate Withholding Certificate, to claim an exemption from real estate withholding.

### B Requirement

R&TC Section 18662 requires withholding of income or franchise tax on payments of California source income made to nonresidents of California.

Withholding is required on the following, but is not limited to:

- Payments to nonresidents for services rendered in California.
- Distributions of California source income made to domestic nonresident S corporation shareholders, partners and members and allocations of California source income made to foreign partners and members.
- Payments to nonresidents for rents if the payments are made in the course of the withholding agent's business.
- Payments to nonresidents for royalties with activities in California.
- Distributions of California source income to nonresident beneficiaries from an estate or trust.
- Prizes and winnings received by nonresidents for contests in California.

However, withholding is optional if the total payments of California source income are \$1,500 or less during the calendar year.

For more information on withholding get FTB Pub. 1017, Resident and Nonresident Withholding Guidelines. To get a withholding publication see General Information H, Publications, Forms, and Additional Information.

### C Who Certifies this Form

Form 590 is certified by the payee. An incomplete certificate is invalid and the withholding agent should not accept it. If the withholding agent receives an incomplete certificate, the withholding agent is required to withhold tax on payments made to the payee

until a valid certificate is received. In lieu of a completed certificate on the preprinted form, the withholding agent may accept as a substitute certificate a letter from the payee explaining why the payee is not subject to withholding. The letter must contain all the information required on the certificate in similar language, including the under penalty of perjury statement and the payee's taxpayer identification number. The withholding agent must retain a copy of the certificate or substitute for at least four years after the last payment to which the certificate applies, and provide it upon request to the Franchise Tax Board.

For example, if an entertainer (or the entertainer's business entity) is paid for a performance, the entertainer's information must be provided. **Do not** submit the entertainer's agent or promoter information.

The grantor of a grantor trust shall be treated as the payee for withholding purposes. Therefore, if the payee is a grantor trust and one or more of the grantors is a nonresident, withholding is required. If all of the grantors on the trust are residents, no withholding is required. Resident grantors can check the box on Form 590 labeled “Individuals — Certification of Residency.”

### D Who is a Resident

A California resident is any individual who is in California for other than a temporary or transitory purpose or any individual domiciled in California who is absent for a temporary or transitory purpose.

An individual domiciled in California who is absent from California for an uninterrupted period of at least 546 consecutive days under an employment-related contract is considered outside California for other than a temporary or transitory purpose.

An individual is still considered outside California for other than a temporary or transitory purpose if return visits to California do not total more than 45 days during any taxable year covered by an employment contract.

This provision does not apply if an individual has income from stocks, bonds, notes, or other intangible personal property in excess of \$200,000 in any taxable year in which the employment-related contract is in effect.

A spouse/RDP absent from California for an uninterrupted period of at least 546 days to accompany a spouse/RDP under an employment-related contract is considered outside of California for other than a temporary or transitory purpose.

Generally, an individual who comes to California for a purpose which will extend over a long or indefinite period will be considered a resident. However, an individual who comes to perform a particular contract of short duration will be considered a nonresident.

For assistance in determining resident status, get FTB Pub. 1031, Guidelines for Determining Resident Status, and FTB Pub. 1032, Tax Information for Military Personnel, or call the FTB at 800.852.5711 or 916.845.6500.

**E Military Spouse Residency Relief Act (MSRRA)**

Generally, for tax purposes you are considered to maintain your existing residence or domicile. If a military servicemember and nonmilitary spouse have the same state of domicile, the MSRRA provides:

- A spouse shall not be deemed to have lost a residence or domicile in any state solely by reason of being absent to be with the servicemember serving in compliance with military orders.
- A spouse shall not be deemed to have acquired a residence or domicile in any other state solely by reason of being there to be with the servicemember serving in compliance with military orders.

**Domicile** is defined as the one place:

- Where you maintain a true, fixed, and permanent home
- To which you intend to return whenever you are absent

A military servicemember's nonmilitary spouse is considered a nonresident for tax purposes if the servicemember and spouse have the same domicile outside of California and the spouse is in California solely to be with the servicemember who is serving in compliance with Permanent Change of Station orders (Note: California may require nonmilitary spouses of military servicemembers to provide proof that they meet the criteria for California personal income tax exemption as set forth in the MSRRA ).

Income of a military servicemember's nonmilitary spouse for services performed in California is not California source income subject to state tax if the spouse is in California to be with the servicemember serving in compliance with military orders, and the servicemember and spouse have the same domicile in a state other than California.

For additional information or assistance in determining whether the applicant meets the MSRRA requirements, get FTB Pub. 1032.

**F What is a Permanent Place of Business**

A corporation has a permanent place of business in California if it is organized and existing under the laws of California or if it is a foreign corporation qualified to transact intrastate business by the SOS. A corporation that has not qualified to transact intrastate business (e.g., a corporation engaged exclusively in interstate commerce) will be considered as having a permanent place of business in California only if it maintains a permanent office in California that is permanently staffed by its employees.

**G Withholding Agent**

Keep Form 590 for your records. **Do not** send this form to the FTB unless it has been specifically requested.

For more information, contact Withholding Services and Compliance, see General Information H.

The payee must notify the withholding agent if any of the following situations occur:

- The individual payee becomes a nonresident.
- The corporation ceases to have a permanent place of business in California or ceases to be qualified to do business in California.
- The partnership ceases to have a permanent place of business in California.
- The LLC ceases to have a permanent place of business in California.
- The tax-exempt entity loses its tax-exempt status.

The withholding agent must then withhold and report the withholding using Form 592, Resident and Nonresident Withholding Statement, and remit the withholding using Form 592-V, Payment Voucher for Resident and Nonresident Withholding. Form 592-B, Resident and Nonresident Withholding Tax Statement, is retained by the withholding agent and a copy is given to the payee.
